AMENDED AND RESTATED
COVENANTS, CONDITIONS AND RESTRICTIONS

This Declaration is made and entered by Hansville Heights, a Washington limited liability company, referred to below as ("Declarant"). Declarant is the owner of 95.35% of the Lots in Sterling Highlands and pursuant to Section 14.1 is authorized to amend the original covenants, conditions and restrictions ("Original CC&R's") recorded under Auditors File Number 200708150057. Based on the foregoing authority, Declarant does hereby amend and restate the original covenants, conditions and restrictions ("Original CC&R's") recorded under Auditors File Number 200708150057 to run with all of the lands described below as provided by law, which covenants, conditions, restrictions, and reservations of easements shall be binding upon all parties and persons claiming an interest in any of the property described hereafter, and which covenants, conditions, restrictions, and reservations of easements shall be for the benefit of and limitations upon all future owners, and being for the purpose of keeping said real estate desirable, uniform and suitable in architectural design and use as specified herein.

The following disclosures and representations are made:

- A. The land affected by this Declaration, as of the date of execution of this Declaration, is legally described on *Exhibit A* attached hereto (the "Property").
- B. The current configuration of the lots (the "Lots") is as depicted on the map of the Property attached hereto as *Exhibit B*. Declarant intends by this document to impose upon the entire Property described herein, a mutually beneficial and enforceable common plan of reciprocal covenants, conditions and restrictions.

Therefore, Declarant hereby declares that the Property shall be held, conveyed, sold, and improved, subject to the following amended and restated declarations, limitations, covenants, conditions and restrictions, all of which are for the purpose of enhancing and protecting the value, recreational use, residential use and attractiveness of the Property, and every part thereof, as residential recreational land. All of the limitations, covenants, conditions and restrictions shall constitute covenants and encumbrances which shall run with the land and shall be binding upon Declarant and its successors-in-interest and assigns for its term and all parties having or acquiring any right, title, or interest in or to any part of the Property.

ARTICLE I

**ASSOCIATION, ADMINISTRATION, MEMBERSHIP
AND VOTING RIGHTS**

- 1.1 Organization of Association: A new association shall be incorporated as the Hansville Heights Homeowners Association, a Washington corporation (hereinafter the "Association"). The Association shall adopt bylaws consistent with these CC&R's.
- 1.2 Duties and Powers: The duties and powers of the Association are those set forth in this Amended and Restated Declaration, the Articles and Bylaws adopted by the Association, together with its general and implied powers of a nonprofit corporation, generally to do any and all things that a corporation organized under the laws of the State of Washington may lawfully do which are necessary or proper in operating for the peace, health, comfort, safety and general welfare of its Members, subject only to the limitations upon the exercise of such powers as are expressly set forth in this Declaration, the Articles and Bylaws. Without limiting the generality of the foregoing, the primary functions of the Association shall be enforcement of the covenants, the maintenance, operation and repair and insurance of the entry statement, private road easements over and across the Property for the purpose of

ingress, egress and utilities to the Lots (A map of such roads is included on *Exhibit B* (the "Easements"), storm drainage system, parking areas or amenities, common drainage and retention system, trails, open space areas and any other common amenities or elements which may be constructed and/or transferred to the Association. A further purpose of the Association is the collection of Assessments and payment of common expenses to maintain, operate, insure and repair the Easements and the other common amenities (the "Common Expenses").

- 1.3 Membership: The Owner of a Lot shall automatically, upon becoming the Owner of that Lot, be a Member of the Association, and shall remain a Member thereof until such time as his or her ownership ceases for any reason, at which time his membership in the Association shall automatically cease. Membership shall be in accordance with the Articles and Bylaws adopted by the Association.
- 1.4 Transferred Membership: Membership in the Association shall not be transferred, pledged, or alienated in any way, except upon the transfer of ownership of the Lot to which it is appurtenant; and then Membership shall immediately transfer to the new Owner. Any attempt to make a prohibited transfer is void. When a Lot is transferred to a new Owner, the Association shall have the right to record the transfer of Membership upon its books, and thereupon the old membership outstanding in the name of the former Owner shall be null and void.
- 1.5 Classes of Membership; Voting Requirements: The Association shall have one class of voting membership. Each Lot owner will have one vote and voting procedures shall be set forth in the Articles and Bylaws adopted by the Association; provided, however, that no action of the members shall be taken without a quorum of Members participating directly or by proxy. A quorum shall be defined in the Articles and/or Bylaws but shall not be less than one-half of all Lot Owners.
- 1.6 Membership Meetings: Regular and special meeting of Members of the Association shall be held with the frequency, at the time and place, and in accordance with the provisions as set forth in the bylaws. Special meetings may be called by the Board of Directors or Members holding at least twenty-percent of the voting power of the Members.
- 1.7 Board of Directors: The affairs of the Association shall be managed by a Board of Directors ("Board"), which shall be established and which shall conduct regular and special meetings according to the provisions as set forth in the Articles and Bylaws. Declarant retains the right to appoint and/or terminate the Board of Directors of the Association or any member thereof during any period in which the Declarant owns at least one Lot; *provided*, each member of the Board shall be a Lot Owner..
- 1.8 Use of Agent: The Board of Directors, on behalf of the Association, may contract with a professional management agent for the performance of maintenance and repair and for conducting other activities on behalf of the Association, as may be determined by the Board. In the alternative, Declarant may elect to be reimbursed for all reasonable business expenses incurred by the Declarant to manage the affairs of the Association until all Lots are sold by the Declarant.
- 1.9 Architectural Review Committee: The Declarant shall form an Architectural Review Committee (hereinafter "ARC"). The ARC shall consist of three (3) members. The initial members shall be designated by the Declarant and shall serve such terms as are defined in the Bylaws adopted by the Association. Declarant retains the right to appoint and/or terminate any and all members of the ARC during any period in which the Declarant owns at least one Lot; *provided*, at least one member of the ARC appointed by Declarant shall be a Lot Owner.

- 1.10 Prohibition of Alteration and Improvement: Subject to the exemption of Declarant hereunder, no structure, improvement, or alteration of any kind which will be visible from other Dwellings, private roadways serving the Property or any public right of way shall be commenced, erected, painted or maintained upon the Property, until the same has been approved in writing by the ARC. The ARC shall review the nature, shape, heights, materials, and proposed location of all improvements.
- 1.11 Plans and Approval: The ARC shall base decisions to approve or deny proposals on the quality of the proposed workmanship and the materials to be used, the harmony of the proposal to the external design and existing structures, and as to location with respect to topography and finished grade elevation. The ARC shall also have the authority to develop and make available to all Owners within the Property, a set of rules and guidelines to assist Owners in preparing plans under this section. The rules and guidelines shall not be binding upon the Declarants or ARC, but shall set forth general criteria to be considered by the ARC in evaluating a particular application for architectural approval. Lot Owners shall submit an application to build or alter which shall include site layout, structural design, exterior elevations, landscaping, drainage, exterior colors and materials, exterior lighting, and any other proposed features of construction. The ARC, in its discretion, may withhold approval of any proposed work if the proposal is not in harmony with the rules or intent of these CC&R's. The ARC may forward plans and proposals to adjacent Lots or those Lots in view of the proposal for review. The ARC shall consider and act upon any and all plans and specifications submitted for its approval under this Article and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the ARC. The ARC may also take into account proposed exterior colors and materials in review of an application. Any application submitted to the ARC pursuant to this Article shall be deemed approved unless written disapproval or a request for additional information or materials by the ARC shall have been transmitted to the applicant within thirty (30) days after the date of receipt by the ARC of all required materials.
- 1.12 Non-Liability of ARC Members: Neither the ARC or Declarant, nor any member, employee, agent, officer, director, affiliate or shareholder thereof shall be liable to the Association, or to any Owner for any loss, damage or injury arising out of or in any way connected with the performance of the ARC's duties hereunder unless due to the willful misconduct or bad faith of the ARC or member. The ARC shall review and approve or disapprove all plans submitted to it for any proposed structure, improvement or alteration, solely on the basis of the criteria established in this Declaration, aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the Property generally. The ARC shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building, zoning or other codes.
- 1.13 Minimum Standards: The minimum standards stated in Article 2 shall be binding upon the ARC unless and until this Declaration may be amended as provided below.
- 1.14 Member Review of Decisions: Notwithstanding the foregoing, any actions taken by the Board or the ARC pursuant to these Covenants, Conditions & Restrictions may be reversed by the vote of 2/3 of the members present (or present by proxy) at a meeting properly called, *provided*, however, that during any period in which the Declarant owns at least one Lot the actions by the Board or the ARC may not be reversed without the express written consent of the Declarant.

ARTICLE 2

RESIDENCE AND USE RESTRICTIONS

- 2.1 Land Use and Building Type: The Property is a rural residential community. A goal and objective of these Covenants, Conditions and Restrictions is to maintain a quality community appearance, insure compatible development of land and structures, and to protect and enhance real estate values. The Property is designed and intended to be a territorial view community, and all design and improvement guidelines, and all covenants, conditions, and restrictions contained herein shall be construed to further this intent that views from each parcel remain unobstructed. The following residence and use provisions are designed to 1) preserve and enhance views of the surrounding landscape, 2) preserve the beauty of the existing landscape while enhancing views and usability of the Property, and 3) create homes, structures and landscapes with respect to the existing features and topography while designing classical and contemporary northwest homes, taking inspiration from cottage, craftsman, pacific lodge, and coastal architecture.
- (a) Minimum Dwelling Size: Each dwelling structure shall consist of a minimum of One Thousand Five Hundred (1,500) square feet for single-story homes and Two Thousand (2,000) square feet for two-story homes exclusive of basement, garages, patios, breezeways and detached storage rooms, unless otherwise approved in writing by the ARC. An approval for a dwelling less than 1,500 square feet for a single-story home or 2,000 square feet for a two-story home, once granted, shall run with the land for that specific Lot. For purposes of this provision, a dwelling with a finished daylight basement, which is finished at the time of initial construction, shall be allowed to include the daylight basement area as a maximum of 30% of the total square footage required. No mobile or manufactured homes shall be allowed. Single two-story rectangular masses are not allowed. Projections such as decks, alcoves, balconies, and dormers shall be used to detail large building forms.
 - (b) Grading: Grading and drainage improvements to the site shall minimize impact to the site and shall blend with the existing grades when finished. Natural slopes shall be used rather than retaining walls unless a retaining wall is necessary. The ARC shall approve all retaining walls in excess of 3-feet in height.
 - (c) Retaining Walls: If retaining walls are necessary, and are visible from the Easements or any other Lot the following shall apply. All retaining walls shall be built of natural stone or concrete that has been cast with a natural, rough, unfinished, and nonsymmetrical design. The tops and ends of retaining walls shall blend with natural contours and shall not end abruptly. Vegetation may be planted at the top and bottom of all retaining walls to soften the visual impact on the surrounding landscape.
 - (d) Driveways: Driveways and garage layouts are to minimize visibility of parking, driveways and garage doors from the Easements and adjacent Lots to the extent practical. One driveway entrance per Lot shall be permitted to the Easements, unless approved by the ARC. Driveway aprons for a minimum of 25 feet in length shall be of the same material as the Easement road paving material. Driveways shall be ditched and include a culvert where necessary to prevent any sediment deposit onto community roads.
 - (e) Garages: All Lots are to provide a minimum of two enclosed parking spaces, unless otherwise approved by the ARC. Garages are to be situated in a manner that screens garage doors and guest parking from views to the extent practical.
 - (f) Roofs: All roofs and roof materials shall be fire retardant and as approved by applicable governmental authorities. Subject to governmental approval, the following roof materials are permitted: metal, tile, slate, or architectural composition (Elk Prestique Plus 30-year or comparable) shingles, and comparable roofing materials. Cedar shakes or shingles shall not be permitted. On at least 80% of roof, minimum roof pitch shall be 8/12. Roof coverings placed on all new buildings and on all buildings being re-roofed shall be of fire

resistant/retardant materials with no less than a "Class A" rating as defined by the Uniform Building Code Standard No. 32-7, or as otherwise approved in writing with supporting reasons by the Kittitas County building inspector/fire marshal.

- (g) Construction: All homes constructed on each Lot shall be built of new materials, with the exception of "décor" items such as used brick, weathered planking, and similar items. No homes on any Lot shall consist, in whole or part, of a mobile home, nor of "factory built housing" (as that term is defined in RCW 43.22.450 as in effect at the time of execution of this Declaration.)
- (h) Exterior wall materials shall be natural wood, refined or natural logs, native stone, and faux stone with a native appearance, suitable synthetics such as hardiboard or masonry. Reflective materials shall not be used. Untextured concrete is not permitted. Wood walls shall have vertical, board and batten or shingle, ship lap, or horizontal siding. A minimum of two wall materials are to be used and one shall be dominant. When accent material is used, such as rock, brick, or stone, it shall be used for a minimum of 15% of the exterior surface area visible from the private roads serving the Property. Stone walls are to appear structural and not veneered. Where accent materials abut corners, said corners shall be wrapped in the accent materials for a minimum distance of twenty-four (24) inches on each face.
- (i) Windows and doors shall be fitted with a minimum of 3½" of trim both vertical and horizontal. Windows and doors shall be wood, vinyl, or metal clad with a natural finish. Windows and doors shall be of moderate hues and/or earth tones and shall be approved by the ARC.
- (j) Antennae and Satellite Dishes: No antenna, satellite dish or other device for the transmission or reception of radio, television, satellite signals or other form of signal transmission or reception of any sort (except "mini dishes") shall be visible from community roads or the primary building site of any parcel.
- (k) Fencing: All fences and fencing materials shall be primarily of wood, shall be of earth tones, natural or weathered, and shall be wood rail variety, including three rail, split rail, and similar open style fencing. No closed board fencing shall be approved. No barbed wire or any kind of metal fencing, concrete block, plastic or composite may be used on the property perimeter. Low stone walls are permitted. Fence height shall be a maximum of 5 feet from ground elevation. The ARC may elect to specify a more limited variety of fencing that is fronting community roads. All fencing is subject to review by the ARC. Fencing may not impair views from other lots or from the open space or roads.
- (l) Sport Courts, Pools and Play areas: The colors and style of outdoor structures are to be the same or complementary to the house and shall be of natural, forest or earth hues.
- (m) Outbuildings: All outbuildings (detached garages, etc.) must match or complement the dwelling in roofing and siding material, color, trim application and design and rectangular masses are not allowed. The building must be placed in an unobtrusive location within the primary building site.
- (n) Exterior Colors: Exterior colors of all buildings shall be of moderate to dark hues and/or earth tones and shall be approved by the ARC.
- (o) Exterior Lighting: All exterior lighting shall be designed primarily in the form of down-lighting, and shall be designed in a manner as to minimize the effect of the lighting to any other Lots. Subtle up-lighting for vegetation and the main home accent shall be approved if the impact on neighboring lots is minimal, and the fixtures do not emit stray light.

Lighting shall be designed to cut off stray horizontal light. All out door lighting is subject to the review of the ARC.

- 2.2 Recreational vehicles, cars, trucks, boats, trailers, campers, etc. shall not be parked in the public right of way or on community roads for a period of time exceeding 8 hours, nor shall they be parked in the right of way on a daily or regular basis. All residents or guests staying more than 8 hours shall park their vehicles on private property. The community roadway shall be clear to allow the flow of traffic, including emergency vehicles, at all times.
- 2.3 Tree and Vegetation Installation. No tree or vegetation shall be installed on a Lot which, at the time of installation, or when full grown, would materially impede View Corridor from the primary dwelling on a Lot, where such primary dwelling is constructed in a location designated by Declarant, or approved by the ARC. The "View Corridor," as shown in **Exhibit C**, relates to the primary view as identified by the Lot owner and submitted to the HOA for their records. The width of the view corridor for each Lot shall be defined as the area within the following lines: a line at each end of the main face of the habitable portion of the main dwelling, parallel to a line perpendicular to the center of the main face, and that area within 30 degrees of the outside of each line. This restriction shall be liberally construed so as to maintain views from the Lots.
- 2.4 Tree and Vegetation Removal. Vegetation or trees in excess of ten feet in height or ten inches width in diameter may be limbed-up or trimmed by a certified arborist, but shall not be removed or topped without prior approval of the ARC, and then only for the purpose of maintaining a view corridor (Exhibit C), or establishing the building site, surrounding yard, driveway, and improvement footprint, with such removal being the minimum necessary to accommodate the approved improvements and create and preserve the view corridor from the Lot. Tree removal (other than as outlined in Section 2.5) shall not be permitted within twenty feet (20') of any shared lot line, except as may be necessary to remove diseased and dangerous trees, as certified diseased or dangerous by a licensed and or accredited arborist or forester.
- 2.5 Tree and Vegetation Removal for View Preservation. In the event a cluster of three or more trees or other vegetation have grown to a height or width that impedes the View Corridor (Exhibit C) from another Lot, the Owner of the Lot with the impacted View Corridor shall have the right to require that the trees or vegetation restricting the Lot's View Corridor be modified (limbed, topped or removed as chosen by the Lot Owner of the trees or vegetation in question) to maintain the View Corridor. The Owner of the Lot whose View Corridor is impacted shall submit a demand to the offending Owner(s) and shall be responsible for full payment of the cost of such modification. In the event the Lot Owners in question cannot agree on this issue, the issue shall be submitted to the Board, prior to any removal of vegetation, and the Board shall make the final decision.
- 2.6 Drainage. Any and all drainage from a Lot must be managed so that no turbid water leaves the site at any time. Prior to any lot clearing activity the Lot owner shall obtain a permit from the State of Washington Department of Ecology (NPDES) and follow all guidelines for the management of storm water and erosion. Best Management Practices must be followed including, at a minimum, the installation of stilt fence or mulch berm on the downhill side of the activity and covering with straw any disturbed grounds required by the NPDES permit.

All Storm water that could potentially leave each Lot shall be conveyed, at the Lot Owner's expense and as specified in the Final Accepted Drainage Plans under DAP 05 24506 Addendum I on file with Development Engineering, Kitsap county Department of Community Development (or its successor agency), as follows:

- a) Lots 8 through 13, 24, 29, 30 and 32 through 39 shall direct roof and lot runoff to the secondary drainage system. At the time of Building Permit Application the owners

shall submit a plan of the roof and yard drainage conveyance system to the building department for review and acceptance. The drainage system shall be installed and accepted prior to occupancy.

b) Lots 23, 27, 28, and 40 through 43 shall incorporate individual lot infiltration systems. At the time of Building Permit Application the owners shall submit a plan of the roof conveyance system and the location of the proposed storm water infiltration systems to the building department for review and acceptance. The drainage system shall be installed and accepted prior to occupancy.

c) Lots 1 through 4 shall direct roof and lot runoff to a constructed swale that will direct storm water to the regional facility. At the time of Building Permit Application the owners shall submit a plan of the roof and yard drainage conveyance system to the building department for review and acceptance. The drainage system shall be installed and accepted prior to occupancy.

d) Lots 5 through 7, 14 through 17, 25 and 26 shall direct roof and lot runoff to the roadway ditch system that directs storm water to the regional facility. At the time of Building Permit Application the owners shall submit a plan of the roof and yard drainage conveyance system to the building department for review and acceptance. The drainage system shall be installed and accepted prior to occupancy.

e) Lots 18 through 22 and 31 shall direct roof and lot runoff to the adjacent wetland. At the time of Building Permit Application the owners shall submit a plan of the roof and yard drainage conveyance system to the building department for review and acceptance. The drainage system shall be installed and accepted prior to occupancy.

2.7 Motorcycles, snowmobiles, recreational vehicles, All Terrain Vehicles, boats, airplanes, helicopters, bicycles, horses, and any other recreational vehicles are permitted for ingress and egress to all Lots. Recreational use of motorized vehicles other than ingress and egress on easement roads is prohibited.

2.8 Vehicle & Equipment Storage: All inoperable, stored, or occasional use vehicles, recreational vehicles, motor homes, trailers, ATV's, off road vehicles, snowmobiles, motorcycles, commercial vehicles, boats and equipment must be stored inside of an enclosed building in a location not directly visible from any other residence or any community roads.

2.9 Outside Storage: Storage areas, machinery and equipment shall be prohibited.

2.10 Outdoor Fire: No incinerators or other open waste burning fires shall be permitted. Burning of yard waste and forest debris shall be permitted from October 15th to April 30th subject to the bans referred to below. Recreational fire pits and controlled outdoor fires shall be permitted. The Board may, at its discretion, ban any and all outdoor burning for a temporary period based on extreme fire danger.

2.11 Landscape and Building Envelope: Landscaping shall use natural and indigenous materials to create a transition between the natural environment and any improvements. Natural and existing features including rock outcroppings and vegetation should be used in the landscape design.

2.12 Fire Prevention: The Defensible Space (fire safety zone defined in Recommendations for Fire Safety and Prevention, forming a perimeter around all improvements) should be kept free of all combustible materials including dead vegetation and forest debris to the extent practical.

2.13 Vacation Provisions. Any Lot may be used for vacation purposes and have a motor home or vacation trailer for a period of time not to exceed 6 weeks per calendar year. Said recreational vehicles are not to be left or stored on property unless occupied on a daily basis and as

otherwise permitted by these CC&R's, and shall be parked in a location as approved by the ARC and screened from view from other Lots and homes

2.14 Business Use Prohibited: No trade, craft, business, or commercial or manufacturing enterprise or activity of any kind, other than a professional business conducted from an office inside the home and which does not generate excessive customer traffic, shall be conducted or carried on upon any Lot within the Property. This Section is specifically intended to prohibit maintenance or operation of a day care, unless required to be permitted by law. In addition, no goods, equipment, vehicles, materials or supplies used in connection with any business or commercial activity shall be permitted, kept, parked, stored, dismantled, or repaired on any Lot or street within the Property, unless stored entirely within a structure permitted by these CC&R's.

2.15 Nuisance Prohibited: No noxious, illegal, or offensive activities shall be carried on in any Dwelling, or in any part of the Property, nor shall anything be done thereon which may be or may become an annoyance or a nuisance to, or which may in any way interfere with, the enjoyment of each of the Owners of his or her respective Lot. Recreational use, controlled social gatherings, or other events, which may from time to time cause an above average level of noise, shall not be considered a Prohibited Nuisance. No Lot within the Property shall be used as a dump for trash or rubbish of any kind, and all garbage or other waste shall be kept in appropriate sanitary containers for proper disposal. No firearms may be discharged on the Property.

2.16 Temporary Structures: No structure of a temporary character, basement only, tent, shack, garage, barn, prefabricated structure or other outbuildings, or trailer shall be used as a residence, except on a temporary basis during the course of evident construction of the primary dwelling, but in no case longer than 12 months. No mobile homes are permitted on the property.

2.17 Time of Completion: Any Dwelling or structure erected or placed on any Lot in the Property shall be completed as to exterior appearance, including finished painting, within twelve (12) months from the date of commencement of construction. The ARC may extend the time requirement for completion on behalf of any Owner upon a showing of good cause, at the sole discretion of the ARC.

2.18 Utilities: All utilities to be installed, including cable, phone, power, and any other utilities shall be installed underground. No overhead utilities shall be allowed.

2.19 Animals: Animals including dogs, cats, caged birds, fish in tanks, and other small household pets shall be permitted on Lots. Dogs shall not be allowed to create a disturbance for other Owners. Owners shall be responsible for the prompt cleanup of their respective animals on all Lots and Easements.

Animals including horses, livestock, poultry and pigs shall not be permitted. The Board and/or the Association may at any time require the removal of any pet or animal which it finds disturbing other Owners unreasonably, in the Board's and/or Association's determination, and may exercise this authority for specific pets or animals even though other pets or animals are permitted to remain.

2.20 Signs: Professional appearing signs advertising Lots for sale or rent, including the temporary daytime display of signs advertising open houses, may be displayed on the appropriate Lot, provided that such signs shall be of reasonable and customary size, not to exceed five (5) square feet. Declarant, or its authorized agent, may display signs up to 4' x 8' adjacent to the public right-of-way and/or at the entry way to advertise property for sale.

- 2.21 Garbage and Refuse Material: No property shall be used or maintained as dumping ground for discarded equipment, rubbish, trash, garbage, or similar material. After initial construction of the residence, all garbage and trash shall be kept in covered containers. No cans shall be visible until 8 PM the evening before the day of designated for refuse pick up. All containers must be removed from view by 9 PM the day of pickup.
- 2.22 Mail Boxes: Mailboxes shall be at specified group locations as per U.S. Post Office requirements, and shall be designed in accordance with specifications as approved by the ARC.
- 2.23 No Warranty of Enforceability: While Declarant has no reason to believe that any of the restrictive covenants contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenant. Any Owner acquiring a Lot in the Property in reliance on one or more of such restrictive covenants shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot agrees to hold Declarant harmless therefrom.

ARTICLE 3

REPAIR AND MAINTENANCE

- 3.1 Owner's Maintenance Responsibilities: Each Owner shall have responsibility for maintaining the exterior of their residence and all other buildings and improvements located upon their Lot. Each parcel shall be maintained in a clean, sightly condition at all times and shall be kept free of litter, junk, trash, rubbish, garbage, debris, and excess building materials.
- 3.2 Repair and Maintenance Rights and Duties of Association: The Association shall maintain and repair the Easements, Common Areas, Open Space and other Tracts, except Tract G (future development area), or shall contract for such maintenance and repair to assure maintenance of the Easements and Common Areas in good condition.
- 3.3 For the purpose of performing any maintenance or repair as authorized by this Article, or for purposes of making emergency repairs necessary to prevent damage to a portion the Property or the Easements, or for any other purpose reasonably related to the performance by the Board of its responsibilities under this Declaration, the Association (and its agents and employees) shall have an irrevocable easement over and onto all portions of the Easement Property and other Tracts, and shall also have the irrevocable right after reasonable notice to the Owner, and at reasonable hours, to enter onto any Lot.

ARTICLE 4

ASSOCIATION MAINTENANCE FUNDS AND ASSESSMENTS

- 4.1 Creation of the Lien and Personal Obligation of Assessments: The Declarant for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed or contract therefore, whether or not it shall be so expressed in such deed or contract, is deemed to covenant and agree to pay to the Association the following Assessments, which shall be established and collected as needed and in a manner prescribed by the Board:

- Regular Assessments;
- Extraordinary Assessments
- Special Assessments

All Assessments, together with interest, costs, and actual attorneys' fees, shall be a charge and a continuing lien upon the Lot against which each Assessment is made. However, such lien shall be subordinate to the lien of any first mortgage or construction loan, unless such lien is recorded prior to the recording of any first mortgage or construction loan. Such liens may be enforced or foreclosed according to law, with attorney's fees and costs to be charged against the party being foreclosed. Each such assessment together with interest, costs and actual attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment fell due. No Owner of a Lot may exempt himself or herself from liability for his or her contribution toward the Common Expenses by waiver of the use or enjoyment of the Easements or by the abandonment of his or her Lot.

- 4.2 Purpose of Assessments: The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of all the residents in the entire Property, for the improvement, maintenance, operation, insurance and repair of the Easements, any common drainage and retention system, utilities and any agreed upon community landscaping, for the payment of utility bills associated with the common areas and entry statement, and for the common good of the Property. The Regular Assessments shall include an adequate reserve fund for maintenance and repair of the Easements and replacement of any items that must be replaced on a periodic basis.

Normal maintenance for the trails and other community areas shall be determined by the Board based on the nature and condition of the amenities and Lot owners shall contribute a pro rata share, per lot, of the repair, maintenance and improvement expenses. The quarterly or annual expenses of the trails and other Common Areas shall be determined by agreement of the Board.

- 4.3 Regular Assessments: The Regular Assessment for 2014 is hereby set at \$ \$180.00 per year, payable in quarterly installments of \$45.00. Thereafter, the Board shall determine and fix the amount of the annual Regular Assessment against each Lot at least sixty (60) days in advance of the start of each fiscal year; provided, however, that the annual Regular Assessment may not be increased by more than fifteen percent (15%) above the maximum Regular Assessment for the immediately preceding fiscal year, without the vote or written assent of a two-thirds (2/3) of the total voting power as identified in the Articles and bylaws. Provided, However, So long as the Declarant is the owner of any of the Lots, Declarant shall not be subject to payment of the Regular Assessments.

- 4.4 Extraordinary Assessments: In addition to the Regular Assessments authorized above, the Board may levy, in any fiscal year, an Extraordinary Assessment applicable to that year only for the purpose of covering the actual cost of any improvement, reconstruction, repair or replacement of any Easements, trails and/or other Common Areas, due to damage or normal wear-and-tear, or to defray any unanticipated or underestimated expense not covered by the Regular Assessment.

- 4.5 Special Assessments: In addition to the Regular and Extraordinary Assessments authorized above, the Board may levy Special Assessments (without limitation as to amount or frequency and without requiring a vote of Owners) against an individual Lot and its Owner for violations of any provisions within this Declaration, including the right of the Association to receive reimbursement for costs incurred in bringing that Owner and his or her Lot into compliance with the provisions of this Declaration and the bylaws, including actual attorneys' fees and costs.

- 4.6 Date of Commencement of Assessments; Due Dates: Subject to the foregoing exemption pending construction, the Regular Assessments provided for herein shall commence as to all Lots in the Property on the first day of the month following the completion of the roads or conveyance of the first Redemption Parcel in the Property, whichever occurs later. Due dates

of Assessments shall be the first day of every new quarter. No notice of such Assessment shall be required other than an annual notice setting forth the amount of the monthly Assessment.

- 4.7 Payment of Taxes Assessed Against Easements or Personal Property of Association: In the event that any taxes are assessed against the Easements or the personal property of the Association, rather than against the Lots, said taxes shall be included in the Assessments made under the provisions of this Article, and, if necessary, an Extraordinary Assessment may be levied against the Lots in an amount equal to said taxes, (regardless of any limitation otherwise applicable to Extraordinary Assessments set forth in Paragraph 4.4 above), to be paid in two (2) semi-annual installments, thirty (30) days prior to the due date of each tax installment.
- 4.8 Transfer of Lot by Sale or Foreclosure: The sale or transfer of any Lot shall not affect any Assessment lien, or relieve the Lot from any liability therefore, whether the lien pertains to payments becoming due prior or subsequent to such sale or transfer. Notwithstanding the foregoing, the sale or transfer of any Lot pursuant to foreclosure, or by deed in lieu of foreclosure, of a mortgage recorded prior to the recordation of a Notice of Delinquent Assessment covering such Lot, and given in good faith and for value, shall extinguish the lien of all Assessments which become owing prior to such sale or transfer. Sale or transfer pursuant to mortgage foreclosure shall not, however, affect the personal liability of the Owner for unpaid Assessments. Any Assessments for which the liens are extinguished pursuant to this Paragraph shall be deemed to be Common Expenses collectable from all of the Lots including the Lot for which the lien was extinguished.
- 4.9 In the case of any other conveyance of a Lot, the grantee of the same shall be jointly and severally liable with the grantor for all unpaid Assessments by the Association against the latter up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Board, setting forth the amount of the unpaid Assessments due the Association, and such grantee shall not be liable for, nor shall the Lot conveyed by subject to a lien for, any unpaid Assessments made by the Association against the grantor in excess of the amount set forth in the statement. Provided, however, the grantee shall be liable for any Assessment becoming due after the date of any such statement.
- 4.10 Enforcement of Assessment Obligation; Priorities; Discipline: If any part of any Assessment is not paid and received by the Association or its designated agent within thirty (30) days after the due date, such Assessment shall thereafter bear interest at eighteen percent (18%) interest until paid. Additionally, automatic late processing fees of Ten Dollars (\$10.00) per month shall be assessed for each month from the due date until the Assessment(s) and all late charges are paid. Each delinquent Assessment may be evidenced as a matter of public record by a Notice of Delinquent Assessment recorded by the Association or other party or parties entitled to enforce and/or receive the same, which recorded Notice of Delinquent Assessment shall provide notice to the public of the delinquency

ARTICLE 5

EASEMENTS AND UTILITIES

- 5.1 Common Areas. "Common Areas" shall consist of all Tracts, except Tract G, and any landscape of other easements (including those set forth in Section 5.4 in favor of the Association).
- 5.2 Association to Maintain Common Areas. The Association shall have the right and the obligation to maintain the Common Areas, critical area buffers, trails within the Common Areas and any landscaping within the County right of way.

- 5.3 Alteration of Common Areas. Nothing shall be altered or constructed upon or removed from the Common Areas except upon the prior written consent of the Department of Community Development (or its successor agency) pursuant to Title 19 of the Kitsap County Code (or its replacement provisions).
- 5.4 Easements for Utilities and Drainage. Declarant does hereby establish, create, and reserve for itself and for the benefit of the Association, Owners, Utility Companies, the Public, Kitsap county and their respective heirs, assigns and successor companies easement for the installation and maintenance of landscaping, access, pedestrian trails, guard rails, and all utilities, including but not limited to, storm sewers and drainage systems and electrical, gas, telephone, cable television, internet, water and sewer lines, at those locations set forth on the Plat. No Lot Owner shall allow or permit any structure or landscaping to be located, installed or grow up the areas subject to the foregoing easements which might in any way damage or interfere with the installation and operation of such utilities and systems. Each person utilizing the foregoing easement areas located on another Lot shall promptly restore such area to a condition as close to its original condition as reasonably practical after making such use. Each Lot owner shall maintain the areas of his Lot subject to the foregoing easements in a condition that will not interfere with the operation and maintenance of said utilities and systems.
- 5.5 Access, Use and Maintenance Easements: Declarant expressly reserves, for the benefit of the Owner's and for any future subdivision of the Property (including Tract G) by Declarant or its Designees, reciprocal, nonexclusive easements for access, ingress, egress and utilities, over and under all of the Easements. In addition, in the Easements, the Owners of the Lots may install utilities, including but not limited to: sanitary sewer, water, electric, gas, television receiving, or telephone lines or connections, provided, however such use of the Easements shall be reasonably necessary for use and enjoyment of a Lot in the Property and such use shall not infringe on any Lot Owner's use of the Easement for access, ingress and egress. Such Easements shall be appurtenant to, binding upon and shall pass with the title to ever Lot conveyed.
- 5.2 Owner's Rights and Duties with Respect to Trails and Common Areas: The duties of the Lot Owners within the Property shall be as follows:
- 5.2.1 The trails and Common Areas are for day use only. No overnight camping is allowed. No personal property may be left in said areas overnight.
 - 5.2.2 Lot Owners using the trails and Common Areas shall haul all trash out.
 - 5.2.3 Children under the age of 12 must be accompanied by an adult Lot Owner.
 - 5.2.4 Dogs must be on leashes or otherwise restrained.
 - 5.2.5 Liability Insurance – The Association shall secure a comprehensive general liability insurance policy providing coverage for bodily injury and property damage for any single occurrence, in an amount of not less than One Million Dollars. The policy or policies shall name the Association and the Lot Owners as insureds.
 - 5.2.6 Property Taxes on Common Areas and Open Space Tracts: The Lot Owners shall pay a pro rata share, per lot, of the property taxes (assessed on land only) due on the property burdened by the Common Areas and Open Space Tracts (excluding Open Space Tract C). Said taxes may be included in the Regular Assessments made under the provisions of Article 4, or, in the alternative, in the form of an Extraordinary Assessment levied against the Lots in an amount equal to said taxes, (regardless of any limitation otherwise applicable to Extraordinary Assessments set forth in Paragraph 4.4 above), to be paid in two (2) semi-annual installments, thirty (30) days prior to the due date of each tax property tax installment.

5.3 The obligation of the Association to maintain the Common Areas and Open Space Tracts and the amenities thereon, and the provisions of Subparagraphs 5.2.1 through 5.2.6 of these CC&R's may not be materially modified or removed from these CC&R's without the express written consent of the Declarant and/or Declarant's designee.

5.4 Owners' Rights and Duties with Respect to Utilities: The rights and duties of the Owners of Lots within the Property with respect to utilities shall be as follows:

5.41 Whenever sanitary sewer, water, electric, gas, television receiving, or telephone lines or connections are located or installed within the Easements, which connections, or any portion thereof, lie in or upon or beneath Lots owned by other than the Owner of a Lot served by said connections, the Owners of any Lots served by said connections shall have the right, and are hereby granted an easement to the full extent necessary therefore, to enter upon the Lot or to have the utility companies enter upon the Lots in or upon or below which said connections, or any portion thereof lie, to repair, replace and generally maintain said connections as and when necessary.

5.43 In the event of a dispute between the Owners with respect to the repair or rebuilding of said connections, or with respect to the sharing of the cost thereof, then, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board, which shall decide the dispute, and the decision of the Board shall be final and binding on the parties.

ARTICLE 6

INSURANCE

6.1 Insurance: The Board at its discretion shall be authorized to obtain and maintain the following policies of insurance:

(a) Hazard Insurance: To the extent that there are improvements made to the Easements which may be insured against casualty loss, a "master" or "blanket" type of hazard insurance policy or policies may be maintained, protecting such improvements against loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement, and all other perils customarily covered for similar types of projects. The Board may enter into additional endorsements, provisions, and exceptions.

(b) Liability Insurance: A comprehensive general liability insurance policy covering the Easements or any other public ways and areas under the supervision of the association. The liability policy shall provide coverage for bodily injury and property damage for any single occurrence, covering bodily injury and property damage resulting from the operation, maintenance, repair or use of the Easements, in such amounts as the Board may determine, except as required for the Beach Access Easement, which insurance requirements are mandatory and are governed by Subparagraph 5.2.5, above.

6.2 Waiver of Claim Against Association: As to all policies of insurance procured by the Association and maintained by or for the benefit of the Association and/or the Owners, the Association and the Owners hereby waive and release all claims against one another, the Board, and Declarant, and agree to limit their recovery to the extent of the Insurance proceeds available, whether or not the insurable damage or injury is caused by the negligence of or breach of any agreement by any of said persons.

- 6.3 Insurance Premiums: Insurance premiums for any insurance coverage obtained by the Association and any other insurance deemed necessary by the Board shall be a Common Expense to be included in the Regular Assessments levied by the Association and collected from the Owners. That portion of the Regular Assessments necessary for the required insurance premiums shall be separately accounted for by the Association in the reserve fund to be used solely for the payment of premiums of required insurance as such premiums become due.
- 6.4 Trustee for Policies: The Association, acting through its Board of Directors, is hereby appointed and shall be deemed trustee of the interests of all named insureds under policies of insurance purchased and maintained by the Association. All insurance proceeds under any such policies as provided for in this Article 6 shall be paid to the Board of Directors and held in trust. The Board shall have full power to receive and to receipt for the proceeds and to deal therewith as provided herein. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried or otherwise disposed of as provided in this Declaration. The Board is hereby granted the authority to negotiate loss settlement with the appropriate insurance carriers, with participation, to the extent they desire, of mortgagees who have filed written requests within ten (10) days of receipt of notice of any damage or destruction as provided in this Declaration. Any two (2) members of the Board of Directors of the Association may sign a loss claim form and release form in connection with the settlement of a loss claim, and such signatures shall be binding on all the named insureds.

ARTICLE 7

DESTRUCTION; CONDEMNATION

- 7.1 Damage to Easements: In the event of any destruction of any portion of the Easements, the repair or replacement of which is the responsibility of the Association, it shall be the duty of the Association to restore and repair the same to its former condition, as promptly as practical. The proceeds of any insurance maintained pursuant to Article 6 for reconstruction or repair of the Easements shall be used for such purpose, unless otherwise provided herein. The Easements shall be reconstructed or rebuilt substantially in accordance with the original construction plans. If the amount available from the proceeds of such insurance policies for such restoration and repair is inadequate to complete the restoration and repair, the Board shall levy an Extraordinary Assessment for the deficiency and proceed with such restoration and repair.
- 7.2 Damage to Dwellings: In the event of any destruction of any Dwelling or Dwellings, it shall be the duty of the Owner(s) of the Dwelling or Dwellings to A) restore and repair the same to its/their former condition, as promptly as practical. The Dwelling or Dwellings shall be reconstructed or rebuilt substantially in accordance with the original construction plans, or in accordance with the rules set forth herein or B) clear all debris and return property to its natural state as promptly as possible.
- 7.3 Alternate Plans for Restoration and Repair: Notwithstanding the provisions of Paragraphs 7.1 and 7.2, the Association shall have the right, by a vote of Members representing two-thirds (2/3) or more of the Lots, to make alternate arrangements respecting the repair, restoration or demolition of any damaged portion of the Easements, provided, however, that during any period in which the Declarant owns at least one Lot such action shall require the express written consent of the Declarant or its designee. The alternate plan may provide for special allocation of insurance proceeds, modification of design, or special allocation of any necessary Assessments. Any plan adopted pursuant to this Paragraph shall be adopted within sixty (60) days of the damage or destruction.

- 7.4 Condemnation: The taking or partial taking of any portion of the Easements by condemnation or threat thereof shall be negotiated by the Owner of the portion of the Property subject to such taking. Any award shall be that of the Owner; provided, however, that if such taking has the effect of taking the only route of access of any Owner of any Lot, the award shall be deposited in the general funds of the Association for the purpose of securing alternate access for such landlocked Owner, with any remainder to the Owner of the Lot being condemned.

ARTICLE 8

DECLARANT'S RIGHTS AND RESERVATIONS

- 8.1 Declarant is undertaking the work of construction of certain improvements to the Property. Completion of that work and the sale or other disposition of the Lots is beneficial to the Property. In order that said work may be completed and said Property be established as a rural residential community, nothing in this Declaration shall be understood or construed to:
- (a) Prevent Declarant, any builder or their contractors or subcontractors from doing on the Property whatever is reasonably necessary or advisable in connection with the completion of the work including improving the Easements; or
 - (b) Prevent Declarant, or any builder or their representatives from improving any other parts of the Property, including Tract G, and/or erecting, constructing and maintaining on any part or parts of the property, such structures as may be reasonable and necessary for the conduct of their business of completing said work and establishing said Property as a rural residential community and disposing of the same in parcels by sale or other disposition; or
 - (c) Prevent Declarant or any builder from maintaining such sign or signs on any of the Property as may be necessary for the sale or disposition thereof.
- 8.2 So long as Declarant, or any builder or their successors-in-interest and assigns, owns one or more of the Lots established and described in this Declaration and except as otherwise specifically provided herein, Declarant and all builders, and their successors and assigns, shall be subject to the provisions of this Declaration.
- 8.3 In the event Declarant shall convey all of its right, title and interest in and to the Property to any partnership, individual or individuals, corporation or corporations, then and in such event, Declarant shall be relieved of the performance of any further duty or obligation hereunder, and such partnership, individual or individuals, corporation or corporations, shall be obligated to perform all such duties and obligations of the Declarant.
- 8.3 Future Subdivision: Tract G may be further subdivided in a manner consistent and in compliance with Kitsap County Code and Declarant and each Lot Owner affirmatively covenants that he/she/it shall not withhold consent to any future subdivision of Tract G. The recording and/or amendment of these CC&R's shall serve as sufficient evidence of agreement by Declarant and each Lot Owner pursuant to RCW 58.17.212 or RCW 58.17.215 as now exist or hereafter amended. Declarant and each Lot Owner covenant that he/she/it shall take such action and execute such documents, including plat amendment applications, as may be necessary to subdivide Lot 13 and/or 14. These obligations shall be specifically enforceable by Declarant, the Board, the Association, and each individual Lot Owner.

ARTICLE 9

DURATION AND AMENDMENT

- 9.1 Duration: This Declaration shall continue in full force and effect for a period of ten (10) years from the date hereof, after which time the same shall be automatically renewed for successive terms of ten (10) years each, unless a Declaration of Termination is recorded, meeting the requirements for an amendment as set forth hereafter. All Lots within the Property shall continue to be subject to this Declaration during the term hereof regardless of sale, conveyance or encumbrance.
- 9.2 Amendments by Lot Owners. Any Lot Owner may propose amendments to this Declaration to the Board. A majority of the members of the board may cause a proposed amendment to be submitted to the members of the Association for their consideration. If an amendment is proposed by Owners of 20% or more of the Lots, then, irrespective of whether the Board concurs in the proposed amendment, it shall be submitted to the members of the Association for their consideration at their next regular or special meeting for which timely notice may be given. Notice of a meeting at which an amendment is to be considered shall include the text of the proposed amendment. Amendments may be adopted at a meeting of the Association or by written consent of the requisite number of Persons entitled to vote, after notice has been given to all Persons entitled to receive notice of a meeting of the Association, the unanimous consent of all Owners shall be required for adoption of either an amendment changing the voting power or portion of assessments appurtenant to each Lots or an amendment of this Article 14. All other amendments shall be adopted if approved by 67% of the Lot Owners. Once an amendment has been adopted by the Association, the amendment will become effective when a certificate of the amendment, executed by a member of the Board, has been recorded in the real property Records of Kitsap County, Washington.
- 9.3 Amendment by Declarant. Declarant reserves the exclusive and unilateral right to amend the Declaration as may be necessary to comply with Federal Home Loan Mortgage Corporation ("FHLMC") or Federal National Mortgage Association ("FNMA") or Federal Housing Administration ("FHA") regulations or requirements as necessary to enable the holders of first mortgages or deeds of trust to sell first mortgages or deeds of trust to FHLMC or FNMA or if such amendment is necessary to secure funds or financing provided by, through or in conjunction with FHLMC or FNMA or FHA.
- 9.4 Authorization to Amend. If Declarant, at its option, determines that it is necessary so to amend the Declaration as set forth in Section 9.3, then Declarant, on behalf of all Lot Owners in the Association, is hereby authorized to execute and to have recorded (or filed, in the case of the Articles) said required amendment or amendments. All Lot Owners hereby grant to Declarant a full and complete power of attorney to take any and all actions necessary to effectuate and record said amendment or amendments and agree that said amendment or amendments shall be binding upon their respective Lots and upon them and their heirs, personal representatives, successors and assigns to the same extent as if they had personally executed said amendment or amendments. All Lot Owners hereby acknowledge and agree that the power of attorney granted herein shall be deemed coupled with an interest and shall be irrevocable.
- 9.5 Provided, however, that so long as Declarant owns any Lots in the Property, no amendment shall be approved without Declarant's express written consent of the Declarant or its designee. Notwithstanding the foregoing, any amendment made to this Declaration shall have no force or effect on the interest of an existing mortgagee, the beneficiary of a deed of trust, or a contract vendor, which interest is recorded prior to such amendment unless or until their written consent thereto has been obtained.

ARTICLE 10

GENERAL PROVISIONS

- 10.1 Enforcement: The Board, any Owner, and any governmental or quasi-governmental agency or municipality having jurisdiction over the Property shall have the right to enforce, by any proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by this Declaration, and in such action shall be entitled to recover costs and reasonable attorneys' fees as are ordered by the Court. Failure by any such person or entity to enforce any such provision shall in no event be deemed a waiver of the right to do so thereafter.
- 10.2 Invalidity of Any Provision: Should any provision of this Declaration be declared invalid or in conflict with any law of the jurisdiction where the Property is situated, the validity of all other provisions shall remain unaffected and in full force and effect.
- 10.3 Conflict of Property Documents: If there is any conflict among or between the Property Documents, priority shall be given to the Property Documents in the following order: Plat Map; this Declaration; Articles; bylaws; and rules and regulations of the Association. Notwithstanding the foregoing, any provision in any of the Property Documents, which is for the protection of mortgagees, shall have priority over any inconsistent provision in that document or in any other Property Document.
